- Drama
- Inclusion in whole school events

Children will need a hat, water bottle and some healthy food to share.

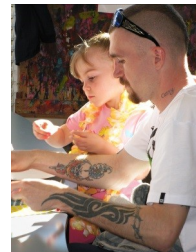

Out and About

Little Footprints venture 'out and about' regularly. Visits to other community venues are always popular; water awareness, kinder gym, the botanical gardens, a winter walk - there is always plenty of world to explore!

Dad's and Family Nights

All family members have an opportunity for a Little Footprints experience with our Dad's and Family nights. These are held each term and we share a meal together.

Playgroup

Thursday 8:45 - 11:00am
(during school terms)

Playgroup is open for all children from birth to four years of age and their parents, guardians or grandparents.

In our playgroup children will enjoy listening to stories, singing, dancing, games and using musical instruments. Parents and children will enjoy participating in lots of fun play experiences together such as painting, drawing, dress ups, building, play dough, crafts and lots more.

Children will need a hat, water bottle and some healthy food to share.
